History of the Herricks Community Fund, Inc.

The Herricks Community Fund is a 501 (c) (3) not-for-profit organization whose roots began in 1986. At that time, it was called the Herricks Community Center Fund, Inc., dedicated to supporting the programs and building improvements in the Community Center. In 1996, the Fund was approached by the Superintendent of Schools and the Board of Education to extend its scope and include raising monies for educational programs and special school projects. We accepted the challenge, amended our by-laws, changed our name, and have never looked back!
