Dear Fellow Members:

Please accept this letter as a brief synopsis into my qualifications for the purpose of being elected to the position of President of the Herricks Teachers' Association.

I have been employed by the Herricks School District since July 1998, when I was first hired as a Custodian to the Denton Avenue School and in December of that year, I was promoted to Head Custodian I.

The following are qualities that will assist me in serving in this leadership role:

1. Currently a Building Representative;
2. Served on the Negotiating Committee since the incorporation of all the individual units into the Herricks Teachers' Association;
3. Elected in 1989 as a Trustee on the Hicksville School Board, and served in various capacities.

Even though the union's signature name (Herricks Teachers' Association) highlights the word "Teachers", it's comprised of the various diverse units all working toward the successful operation of the school district each and every day. I believe I possess the impartiality and knowledge to successfully represent all members of this Association equally.

Sincerely,

James A. Martillo
