HTA Secretary/Treasurer

Karen McLean

I have decided to re-submit my name for the position of HTA Secretary/Treasurer since that is where my expertise lies.

I have been employed in the District's Payroll Department for the past ~~24~~ years and have been a member in good standing with the HTA Association. I have served on the Professional Negotiations Committee, Health & Safety and currently serving as the Associations Secretary/Treasurer. This experience has inspired me to continue my involvement.

Working in the Payroll Department affords me the opportunity to immediately note and file new employees and to begin the appropriate notification process so that they may be added to the NYSUT and HTA membership as well as assist in filing for UNUM benefits.

My employment also permits me to quickly and efficiently deposit all Association fund so as to realize the maximum interest.

Thank you in advance for the opportunity to serve. Collectively, we can continue to make the HTA a stronger union because where there is unity, there is strength.
