

Ginger Reime

I am asking for the support of my fellow Secretaries, Nurses, Therapists, Clerical Bus, Front Desk, School Monitors and Teacher Aides to represent you as your next Vice President. I have had the honor and have proudly served as your HTA Vice President with integrity, pride, and honesty. I always work hard to represent all HTA members fairly and I continue to be approachable, understanding and foster positive relationships with all colleagues.

I have proudly been working at Herricks for 23 years! I started my career at Denton Avenue back in 1999 and now I am currently at the Middle School. Throughout my many years at Herricks, I have developed a clear sensitivity to all our members' needs. When asked to represent and protect our members' rights, I have done so without fear or reservation. For those who know me know that I am never afraid to express my members' concerns. I am passionate about helping others and I am dedicated to you.

Throughout my journey at Herricks, I have served on various committees such as the Professional Negotiation Committee, Constitution Committee, Principal Interview Committee just to mention a few. I have also been an active Union Delegate and I have represented our HTA Union by attending NYSUT workshops to enhance my knowledge to continue to make our union stronger. Recently, I attended the Leadership Conference in Tarrytown and I also attended the RA in Albany. I would like to continue to be active and visible as your Delegate to the NYSUT Representative Assembly and I would like the opportunity to serve as an AFT and NYSUT Delegate again.

Herricks is a family and we need to keep our family strong and united. I strongly believe that I am the person who will always have the backs of our family. I thank each of you for your continued support. Together we will stand in unity, and together we will continue to be strong.

In unity and solidarity,

Ginger Reime
