

Deirdre Bambrick
AFT DELEGATE
NYSUT DELEGATE Candidate

Respectfully, I submit my name as an HTA delegate to AFT and NYSUT for the 2024-25-school year. After a hiatus as a delegate for the past year I am once a gain seeking my colleagues support representing the Herricks Teachers Association.

It has been an honor to serve you, the members of the HTA, passionately with integrity and honor as a delegate to AFT and NYSUT for many years, ensuring that your voice is heard in Nassau County and on the State level and National Level.

I have attended our ED #19 meetings and have served as a representative on the Education Issues and Credentials Committees at our NYSUT State Wide Conventions. I have served on the Human Relations and Educational Issues Committees at the last three bi-annual AFT Conventions, where I have volunteered with AFT Community Outreach programs.

As a delegate, I have had the opportunity to meet and work with AFT and NYSUT Union officers, participate in local and national rallies, and attend workshops on APPR, Public Relations, Collection Bargaining and other legislative issues.

On the district level, I am actively involved in various committees working cooperatively with colleagues, administrators and community members such as Policy Board, report card committee, PTA Council Representative, Social Emotional Learning and Cultural Responsive Teaching. I am also Girls on the Run coach and founding board member and volunteer with the Leukemia and Lymphoma Society serving as the co-chair of the Student Visionaries of the Year Campaign

Unity and understanding are at the cornerstone of all I do. Teamwork, patience and thoughtful decision-making are skills I possess that qualify me to continue to represent you, my colleagues, as an AFT Delegate and NYSUT Delegate. I respectfully ask for your support, *your* vote.

Sincerely,
Deirdre Bambrick
