

Dear fellow Teaching Assistants,

My name is Eva Eng and I am writing to express my interest in the HTA Vice President of Teaching Assistants position here at Herricks.

Even though I've been a Teaching Assistant for 2 years, I've worked in Herricks for the past 10 years. I've worked my way up from a food service worker in the cafeteria to a monitor for the Learning Center at Herricks High School to now, a Teaching Assistant working in IG classes as well as in our VIP program.

I've held a position as a Herricks High School building rep for the past year and as a rep, I've assisted fellow members, some being TAs, with many issues. I'm not afraid to speak my mind and believe everyone should have a voice. For those who don't feel like they can be heard, I wish to be your voice.

Thank you for your time and consideration.
